It's been fun having
you in P.E and our Cool
Biology class. I'm really
glad I got to know you
better this year cause
you're really sweet and have
a wonderful personality.
Good luck in the future
with Dave. Have fun this
summer and "Be" good o.k.

Sumner High School
Sumner, Washington

Pat Koenig, Editor

What is Sumner High? Each of us has his own conception of what it is. Sumner High School is buildings and classrooms and teachers and students. It is fundamentally people. They administrate, teach, and learn. They participate in the activities and belong to championship teams. They give life and excitement to Sumner High. It is banging lockers...scurrying feet... quick "hi's"...sailing into the room at the last minute... clacking typewriter keys... the steady boom, rat-a-tat-tat of the drums when the band is practicing on the football field...seeing a paramecium through a microscope... whispering in class..."People, this is pret-ty important..."... le livre, le papier, la femme ...delicious smells from the home ec. room...last-minute studying for a test...clanking silverware and mingled voices in the lunchroom... $x^2 + y^2 = 10$...a booming announcement over the intercom...Ma's bread and cinnamon rolls... "We pledge allegiance"... To this maze of activities we dedicate the pages of this volume. Let us see, as we turn these pages, what Sumner High School is.

What Is

Sumner High?

Education Is Their

CLAYTON E. WILLARD, Superintendent of Schools

Mr. Willard, Superintendent of Sumner Schools, selects qualified teachers, so that students throughout the district can receive the best education possible. As an advocate of fine education he encourages modern school facilities and excellent classroom materials. His main objective is to keep our educational system abreast of the times with many new methods and materials.

Product

As an outstanding member of the school system, Mr. George supervises the curriculum, transportation, lunch program and various other activities for our school. Working closely with Mr. Willard, the very best education is made available through the aid of their planning.

MR. PHIL GEORGE, Assistant Superintendent

The Sumner School District is a district of outstanding quality. The Board of Education handles all matters concerning the policy of the district, thus helping to maintain its high standards. Because these men represent all the citizens of the Sumner school district, their decisions affect the lives of thousands of people. They are elected to terms of four years, serving without pay and often without thanks. Please accept ours.

Board of Education: Fred Henry, Paul Snow, Luther Goodwin, Paul Benton, Alfred Scholz.

MR. EDWARD F. McCOY, Principal

With personal interest in the students, Mr. McCoy gives his time advising and guiding students with their various interests and activities. Besides stressing good citizenship, sportsmanship and courtesy, he stands for high ideals, scholarship and good conduct.

Miss June gives students assistance in planning their courses for future training or employment. Keeping student records along with her guiding words, she helps with our numerous problems.

MISS JUNE SCHLAUCH, Guidance Counselor

MR. RICHARD BARCLAY, Attendance Counselor and Athletic Director

Mr. Barclay who assists Mr. McCoy in the office, is a valuable member of the staff. As attendance counselor and athletic director along with many other responsibilities, he aids the administration of this school.

"Showing Us Our Direction..."

MR. TRUE OUILLETTE, Guidance Counselor

Mr. Ouillette devotes his time to the development of students' educational and social well being. His guidance in directing young lives toward worthwhile goals is his principal aim.

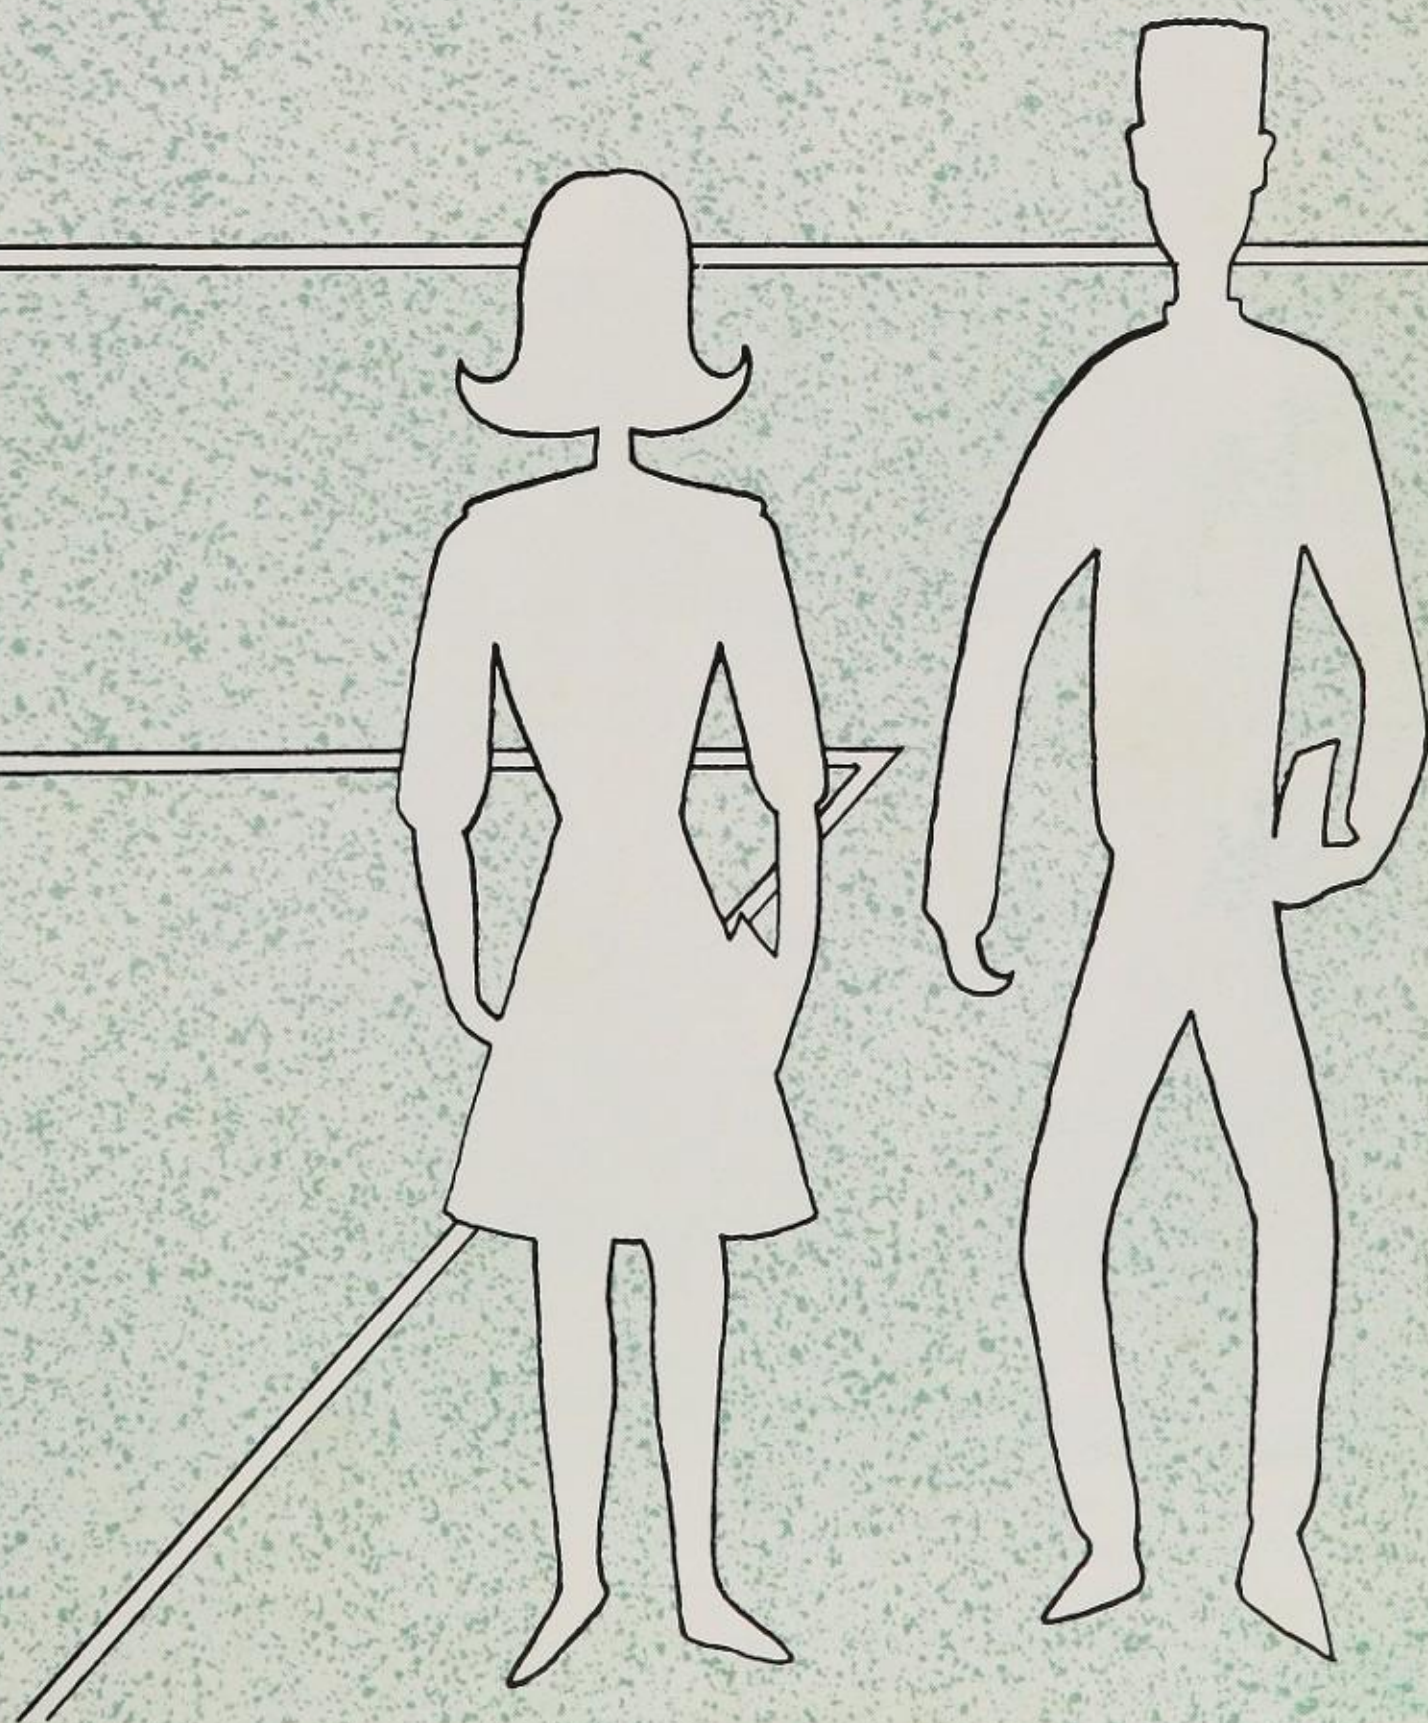

JANET Sumner

Lets go see a show again sometime ^{ok}
Janet, you are so crazy I really ^{ok}
think you're nice. I will see you around
this summer I hope. I wish you could
have all the luck in the world & tell him
to say hi to all of 'em. Good luck again
Love
Geri

Well Jan- I really must say
that I owe you and have a big
vote of gratitude cause if it weren't
for you I wouldn't have met
my Mike. I know I would have
to go through life really "SOLO" ^{SOLO}

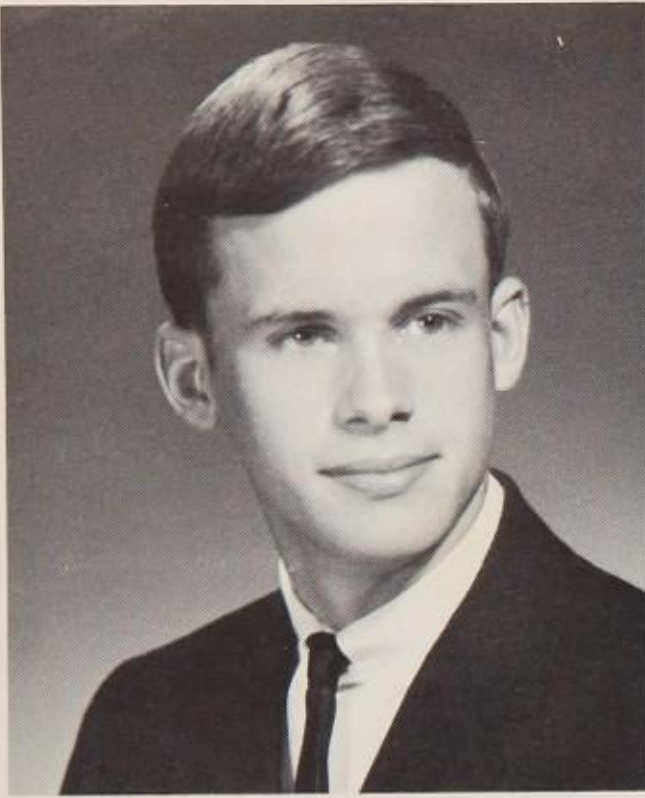

Well - maybe we could have
a ~~to~~ double wedding or some
thing a better one - Love you
Mike

The senior class will no longer chant: "To the top we'll always strive we're the class of '65," but rather, "To the top we've always strived; now at the top we have arrived."

The class of 1965 is not only tops in the sense that they are now seniors, but in every respect; academics, the social realm, and athletics.

The senior class will be the largest ever to graduate from Sumner High. The stiff competition created by a class of this size has made hard workers out of the seniors. For the grades and scholarship they wanted and needed, they had to be in there competing every minute. Their efforts have paid off; they will graduate with a very high scholastic rating.

With the combined efforts of such a

large class the seniors have presented to our school three outstanding dances. Those of their Sophomore, Junior, and Senior years. Their Homecoming skits, senior play and drive for class unity have also found their rightful place of honor in the school.

The senior athletes usually offer the most to our athletic coaches and this class is far from an exception. The class of 1965 has produced many fine athletes and their's has been an integral part in Sumner's success in the Seamount League.

The class of 1965 for these reasons and many others will be remembered by faculty, coaches, and underclassmen as one of the greatest ever to graduate from Sumner High School.

1. Ah, the great outdoors!
2. Deadline, schmedline! What EVER got me into this?
3. My daddy can beat up your daddy.
4. In my estimation, fellas, it's not the lake that's rising, it's the boat sinking.
5. Eek--a mouse!!
6. Judy, please, I'd rather do it myself!
7. Cool it, Harriet! How many times do I have to tell you you're NOT the cheerleaders.
8. Hiawana---Hiawana
9. These pockets always were too small!
10. It's like I was saying, March Marcia?
11. "Oh, hang down your head and cry."
12. Come out, come out wherever you are!

Pep And Spirit Promote Leadership

This year's Juniors have indubitably proven their proficiency not only in athletics but social activities and scholastics. The first project the class of "66" took on was the building of the Homecoming Bonfire, which was one of the biggest in the history of the school. The class also originated skits for homecoming and graduation.

Other activities such as a car wash and pep dance proved successful. The year was highlighted by Shangri-La, which further showed the efficiency and capability of the Junior Class. The class of "66" has advanced steadily since the day it first set foot in Sumner High as Sophomores, and will continue to progress further as next year's Seniors.

Strong In Number Stronger In Enthusiasm

Each year the juniors and seniors look expectantly at the new class of sophomores, wondering what to expect. Will they hold up their load in the over-all school organization? The sophomores of 1964-65 have given the upper classmen no disappointment. They have met the challenge and fulfilled our greatest expectations.

Their enthusiasm was displayed throughout the year as they participated in every school club and in extra-curricular activities. Excellent cooperation and leadership was indicated by the sophomores hop committee chairmen took to their tasks earnestly with success their goal. Scholastically, as well as socially, the sophomores have been exceptional. They have displayed their ability in the classroom by maintaining a high grade point average.

A Place Of Honor—Their Reward

The top ten, the academic leaders of Sumner High School, have shown the varied interests and willingness to work necessary for continued success. Their studies are important, but they know that these are valueless without

an understanding of other people.

Their responsibilities are great, and they can be counted on for a job well done. The senior class can be proud of these students.

LAYHUE AWARD
Honor, attitude, scholarship, effort, obedience, achievement, regard for others and generosity are all traits of Pat Koenig and Mike McCoy. "Capable and completely trustworthy" are the words used to describe Pat. All through her high school years Pat has taken on a great deal of interest and responsibility to better our school. Mike has been described as a "wholehearted contributor to our school." Participation in athletics, scholarship, and school organizations have made these words an ample description of Mike.

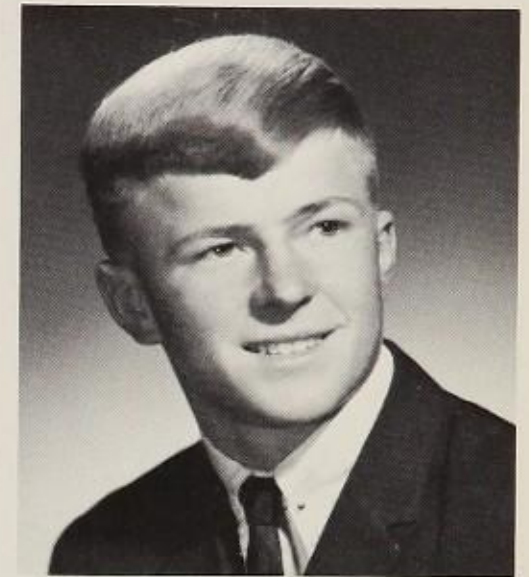

Mike McCoy

Bev Zehnder

MITCHELL PERSONALITY AWARD
Bev Zehnder and Gary Hanson were chosen as the best personalities for the class of 1965. The traits they show are modesty, friendliness, dependability, cheerfulness, courtesy, and respect for authority among others. Bev is described as "always smiling." She shows these qualities plus many more. Gary is considered to be a "happy, active personality." During the time Gary has been at our school he has fully developed the qualities which make him a true part of our school.

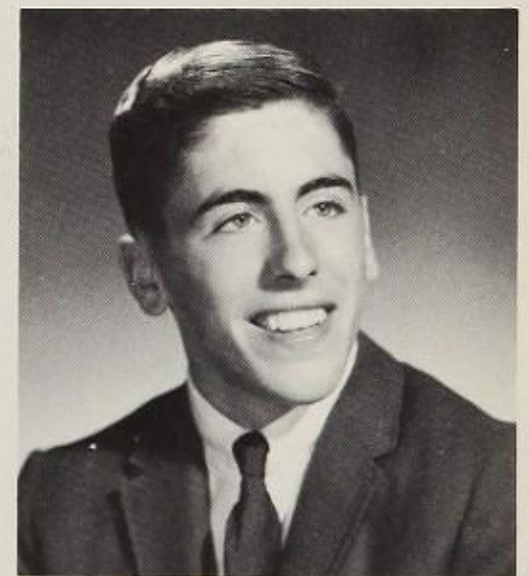

Gary Hanson

Marilyn Weick

FLORENCE POOLE DOLLERY INTEGRITY AWARD

The selection of Marilyn Weick and Bob Sutter were the best possible choices for this award. They were chosen by the members of their class for personal and moral integrity and complete honesty with themselves, their associates, their school, and their homes. Marilyn is known for the "highest moral standards." This has made Marilyn a trustworthy individual. "You'd hardly know he was there if you couldn't feel his personality shining through." Bob is best described by this statement. Although quiet, Bob has demonstrated his high personal standards.

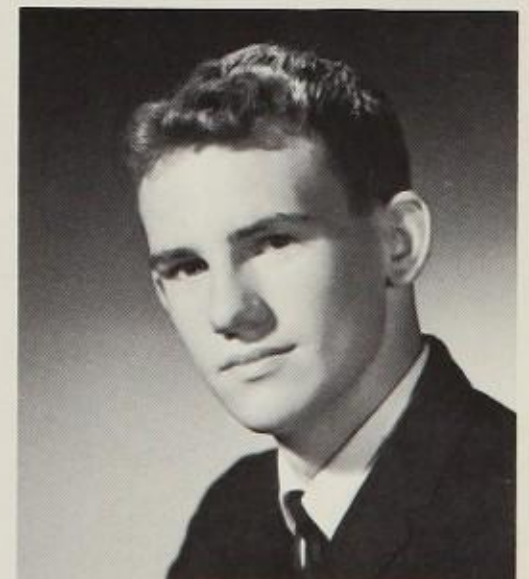

Bob Sutter

Nancy Brings

HOMER HARTLEY SERVICE AWARD
A wise choice was made when Nancy Brings and Lauchy McMillan were elected to receive this award. They have contributed a great deal during their three years of high school. Character, outstanding service, scholarship, and citizenship are shown by Lauchy and Nancy. "Sweet, sensible, and hard working" have become synonymous with the name Nancy Brings. She did much for the betterment of our school. Lauchy has been described as "dedicated and capable." This statement leaves room for little doubt that Lauchy is a vital part of his school.

Ecuatoriana.

Ginette Escudero B.

The greatest desire in my whole life was to come to the United States and be a student in Sumner High School. My desires converted in wonderful reality. Now the school year is almost over; to many students it went so slowly. To me it went so fast. Everything is over; but not for me. I will remember my days in Sumner High, the teachers and the students. Happiness will come to my face. I wish this year would never end. Every single student is trying to help me and making my life at Sumner High the most beautiful thing; without problems. Thank you very much to each one from the bottom of my heart.

The 1964 Homecoming proved to be one of the finest yet. Although cold and foggy, the bonfire and pep rally were a big success, thanks to the Junior class. The Homecoming game between the Spartans and the Longview Lumberjacks, showed our strength even against a school twice as large. The score was 24 to 6.

Saturday, the homecoming dance "Valhalla", meaning the Hall of the Gods,

was one of the big events of the year. Music by the Gil-Ray Combo and decorations under the supervision of Marilyn Weick and Mike Seney were enjoyed by everyone. The homecoming court consisted of the following: Queen-Bev Klingler; King-Mike McCoy; Junior Princess-Sandy Wakefield; Junior Prince-Torch Tebb; Sophomore Princess-Kitty Minch; and Sophomore Prince-Kelly Breen.

Homemakers Of Tomorrow

Helping the individual live a more useful and satisfying life in personal, home, and community living, is the goal shared by the Family Living classes and homemaking classes as well as the Future Homemakers of America.

While this is the overall goal of future homemakers, the Sumner Chapter of F.H.A. this year chose as its specific purpose "Strengthening my education for future roles." Among other projects designed to meet this challenge, the ambitious members organized a meeting to which they invited their parents and together they viewed and discussed a film on school dropouts.

Prepare Today

Since the goals of these three groups are basically the same, they often work together on projects. An example of this is the annual Football banquet. At F.H.A. class meetings, conducted in each of the Family Living and homemaking classes, a portion of the banquet such as table setting or programs was chosen and worked on by the girls of that class. When each class did its share of planning, a well-organized banquet resulted.

In Family Living classes, the girls are more specifically concerned with a study of personal and family relationships in marriage and family living. Also, the homemaking classes have gained experience in family relations through play schools and nurses training.

It has been the duty of the Sumner High School Debate team to prove that both sides are correct and logical. Stripers, not strippers! This misspelling in the bulletin brought many laughs to students as well as to teachers at the beginning of this busy year.

The girls wear red and white striped uniforms, thus the name Candy Stripers. They are led by their pres., Cindy Hyland, vice-pres., Mary Anne Nuttall, and sec-treas., Karen Hansen. Mrs. McGivney helps them plan their activities which include working at the Good Samaritan Hospital and learning the nursing profession from the inside.

"Hi Teach" is a familiar greeting to many F.T.A. members as they enter the classrooms at Wade Calavan Grade School. Their duties range from correcting papers to putting bandages on hurt knees. They also assist the teacher in giving assignments, reading, and playground duty. As more experience is gained they have more control over the class.

F.T.A. prepares students for teaching and acquaints them with the teaching profession. This program is made possible to high school students through the cooperation and advice of Mr. Miller. Valuable experience and understanding is gained for the future in almost any career.

The Year

EDITOR Pat Koenig

Pictures, pictures and more pictures were the challenge of this year's annual staff. Various phases of school life had to be depicted in order to carry out this year's theme, "What is Sumner High?" This naturally put a great burden on many, especially on the editor and photographer, Pat Koenig and Denny Pasquier, respectively. Pat and the staff had to plan and organize many photos, which could not be similar in any way. This new approach would not have been possible without the imagination and artistic ability of the staff.

On Sumner High

Service is the byword of a most active organization in our school. The Spartan Knights, headed by president Lauchy McMillan and ably advised by Mr. Williams, may be seen setting up microphones for Girls' Club meetings, directing parking at crowded ball games, assembling the cafeteria stage for a program, or patiently taking requests for records at our weekly pep dances.

Sumner High School deeply appreciates the the work of these fine young men who play such a vital part in the "behind the scenes" work here at Sumner.

Sumner High School is extremely proud of its modern reading and reference facilities, and rightly so. The huge store of knowledge in our library is no accident; it is the successful result of long and arduous work on the part of Mr. Shore. Pam Mietzner, president of the the group, stresses the importance of a neat, quiet, and orderly library, and is backed wholeheartedly by all the others, who constantly do their best to keep the standards of the library up to the standards for our school as a whole.

The Great Masters are not the only ones who have painted in oils. The students of SHS's art classes have joined the ranks. They have learned the various techniques of oil painting, sculpting, jewelry designing, and Japanese brush drawing under the capable instruction of Mrs. Nancy Cameron. In her interest in developing the artistic capabilities of her students, Mrs. Cameron has shown several helpful films that acquaint the viewer with the basic fundamentals in art.

Another part of the Art Department is Art Club, which also has shown several films. These films were known as "Fractured Flickers" and dealt with hilarious antics of Charlie Chaplin. An annual art show is another of the many activities sponsored by Art Club. All proceeds from these fund-raising projects are used to finance the Art Club scholarship.

Music In The

Music's in the air all year 'round at Sumner High School, for through the efforts of Mr. Swanson, choral director, Sumner's musical minded students sing through fall, winter, and spring.

From "Louder, tenors!" to "Soften the melody, you altos!" Mr. Swanson works to provide the best choir enter-

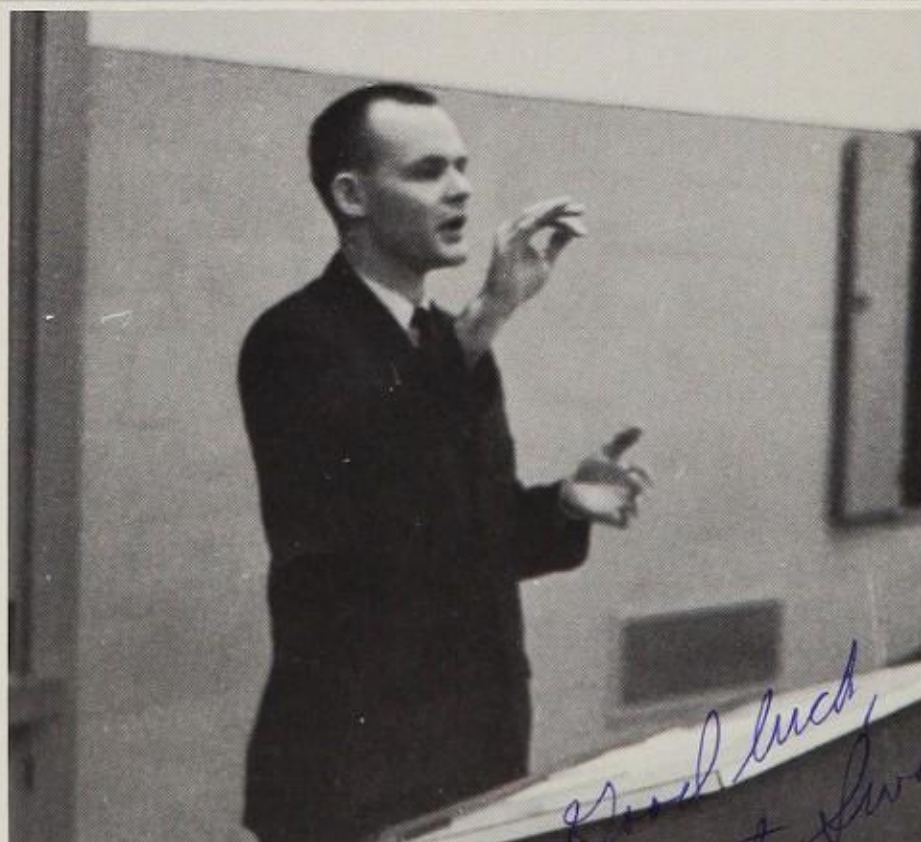

tainment our school has enjoyed for some time. The lights are no sooner dimmed after one concert than the choirs begin learning parts for the next performance. Surely, it is work to produce such beautiful sounds, but the pride of a song well sung is worth it. Don't stop that music!

The Sound

MR. NELSON

Of Music

This year our high school band has been seen many places in their attractive new uniforms. The members started the year by attending the Husky Band Day. Marching with five other high school bands, they performed at the half-time of the University of Washington-Air Force game. During the fall and winter seasons, the band busily practiced for football and basketball half-time entertainment. This spring large audiences saw the bandsmen in their "sharp looking" uniforms, marching in the Daffodil Parade.

Between these busy events, the band

diligently practiced for their concert performances. The audience got their first glimpse of the new concert uniforms at the Pops Concert. The Winter Concert and Spring Concert were also a success under Mr. Nelson's excellent leadership.

This year proved to be no exception for outstanding ratings of our band members in both the Solo-Ensemble Contest and Band Contest. In March the band participated in the Seamount Band Festival held at Curtis. The final performance was the night of graduation.

Vitality and achievement have marked Boys' Club for the 1964-65 year. Under the leadership of President Paul Sands, many precedents in Boys' Club have been set. Notable among these was the establishment of a Boys' Club Council to help in the planning for the club. This the council did very well by sponsoring such fine programs

as a talk by the head of the United States Explainer Group in Korea and a visit by a prominent athlete.

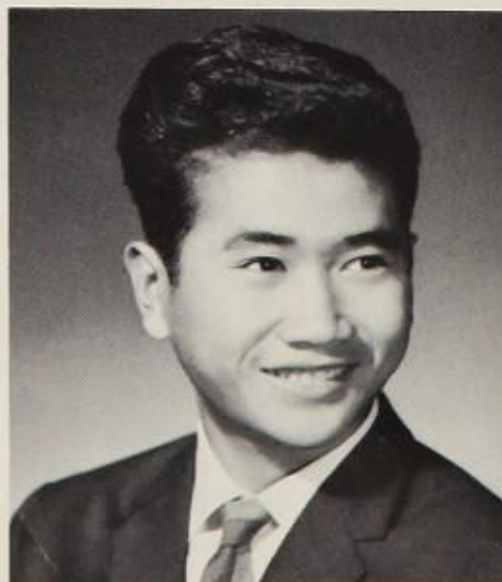

Another first in Boys' Club was the monthly selection of "Boy of the Month." Much credit goes to the officers, council, and the boys themselves in giving the Boys' Club a real purpose.

"I believe, as a high school girl of Sumner, I should be true to the BEST that is within me, that I may become a fine and worthy woman."

And so the closing lines of the Girls' Club creed aptly sum up the ultimate goal of the Sumner High Girls' Club--- to develop the BEST in every member. The only organization that boasts membership of all girls in the student body,

this club makes an effort to include each female student in some project or program during the year.

The Girls' Club emphasizes the importance of honesty, obedience, loyalty in friendship, and integrity, with the hope that these honorable characteristics will mark everyone of Sumner High School's girls for the rest of their lives.

Officers: G. Welch, Sec. ; M. Weick, Treas. ; M. Seney, V. -Pres. ; D. Allen, Pres.

Leadership, service, and, above all, scholarship are the three guideposts set forth by the National Honor Society. The Sumner Chapter of this honorary academic group has achieved the highest of standards in each of these three areas. The qualities of service and leadership established by the honor society are marked invaluable by the faculty and student body.

Scholarship is the quality that has made these students leaders and their services so essential to the academic growth of our school. Their goals shall be their rewards.

Sports And Sportsmanship Stressed

For any girl who wishes to take part in competitive sports, a great variety is available to her through the Girls' Athletic Association. This club stresses sportsmanship and teamwork in its program of participation in sports for fun. Although some girls enter only one or two sports, many try to earn 65 points by entering at least four major divisions of sports. After a member has earned these 65 points, she may receive her letter and join Girls' "S" Club.

This year, besides turning out for the regular sports, the girls in GAA have enjoyed attending three playdays and playing host to a volleyball playday at Sumner High.

MISS LACEY
Physical Education

Physical fitness in recent years, has become one of the most important programs in the nation's schools. Sumner High School's physical education classes, under the direction of Miss Patricia Lacey, have kept right in step with a wide and varied program. From tumbling to field hockey, students learn through sports to co-operate with others, develop athletic skills, and thereby build strong bodies as well as strong minds.

And Sportsmanship

Carrying physical fitness out on a larger and more organized scale is the Girls' "S" Club. Girls eligible for this organization must have lettered in a sport or through G.A.A. activities. As a group, the club sponsors the Powder Puff football game and, with Boys' "S" Club, the annual Homecoming Dance. Also, Girls' "S" Club furthers the cause of good sportsmanship, knowledge of athletics, and leadership both on and off the field; it stresses love of the game over love of victory.

We're With You Team,

Together, the yell staff and Pep Club helped to create the school spirit at Sumner High this year.

A number of activities kept Pep Club busy throughout the year. Members painted signs and hung them in the halls and made name tags for the athletes. A Victory Ball, the first of its kind at S.H.S., was presented in honor of Sumner's championship football team. Other Pep Club projects were the making and selling of beautiful mums for the Homecoming game and the selling of hats and shakers.

This year's all blond yell staff dazzled fans with new yells and new uniforms. This fine leadership was an essential part of Sumner's victories.

Physical Education

All athletics must begin somewhere, and at Sumner High it starts in our physical education classes. Here the boys learn to play honestly and fairly with their classmates, while learning the basic fundamentals of many different games.

The classes also develop the athletes which compose Boys' "S." These lettermen are an integral part of our school as they are a group of boys who have learned to exhibit good sportsmanship and promote athletics.

Some of the projects of which Boys' "S" and Sumner High are proud are the All American Review, Homecoming, apple selling and the Alaska wildlife movie. The money raised is used for such things as lettermen's jackets and a ramrack for the isometric room.

Opponents Bow Before Sparts

Three in a row! Again the mighty Spartan team has rolled over all opposition to acquire the Seamount League Trophy for the third consecutive year.

In the first encounter of the season the Spartans venture north and ambushed the Sedro-Wolley Bears of the tough Northwest League, 12-0. The Sparts clobbered the Bethel Braves, 34-6, in the first league grid fray, and then in rapid succession North Thurston, 27-12; White River, 34-7; Fife, 32-12; Curtis, 28-0; fell before the Purple and Gold in defeat. In our second non-league encounter the Sparts cut down the Longview Lumberjacks of the Southwest AA League by a score of 24-6. Sumner finished off the three remaining teams in the league schedule by blanking Foster, newcomer to the league, 55-0; downing Laughon, 31-7; and defeating Peninsula, 41-6; to capture the league crown.

This season as in every season there are several players that stand-out, and this year was no exception. This Spartan team placed four members, Tom Slettvet, Mike McCoy, Ken Miller, and Dave Svendsen, on the All-Seamount first team. Vic Coudriet, Ron Goddard, and Wayne Green received Honorable mention. Defensive Stars, a new innovation this year, were awarded for outstanding defensive efforts. Ken Miller, "The General," led the team by being awarded fifteen stars.

Sumner received statewide recognition this year by placing fifth on the statewide AA poll.

Success of the 1964 Sparts was a wide open offense and a tough defense. The team's efforts and successes are a fitting climax to Dick Barclay's reign as head coach of the Sumner Spartans.

SOPHOMORES--FIRST ROW: R. Littlejohn, C. Morgan, R. Guyette, J. McGiviney, D. Hoban, B. McClosky. SECOND ROW: G. Evans, K. Breen, R. Watts, J. Sutter, R. Vandver, B. Perteet, L. Leslia. THIRD ROW: R. Zydek, B. Moody, S. Slettvet, M. Templeman, M. Wolever, S. Ticen, R. Fabiani.

Victory: A Growing Spartan Tradition

MR. ANDERSON
Head Coach

First complete, true, unshared Championship. These are magic words in the school's 75 year history. After sharing the Co-Championship last year with Fife, the Spartans compiled a 15-3 record this season to gain sole possession of the Seamount League Hoop Crown.

The Sumner cagers opened the season with a 58-43 triumph over Bethel. After dropping a ballgame to North Thurston the following week, the Sparts really got rolling with victories over White River, Fife, Curtis, and Enumclaw. Then it happened! The Spartans slid into second place with a thrilling overtime loss to Foster, 55-56. Our boys were daunted, though not dismayed

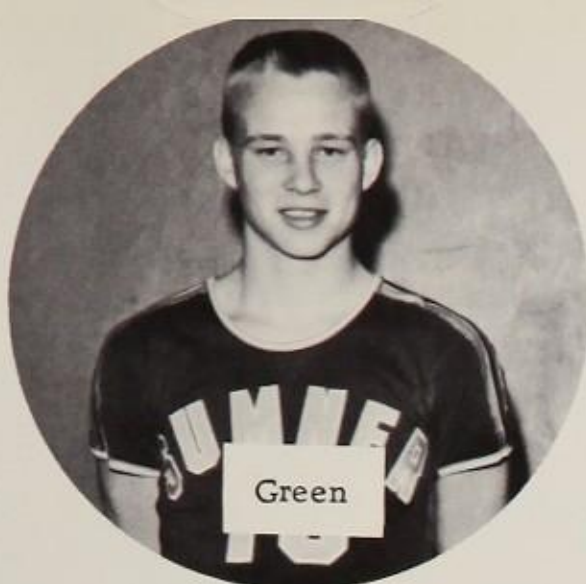

Proving this the Spartan Hoopsters continued their mastery of Seamount League teams closing out the season by winning ten straight to capture the Seamount Championship.

Leading the team to the Championship were several standouts. Among these were All-League Guard Mike McCoy and All-League Forward Rusty McEachern. Wayne Green was selected to the All-Seamount Second Team and Dave Svendsen achieved Honorable Mention.

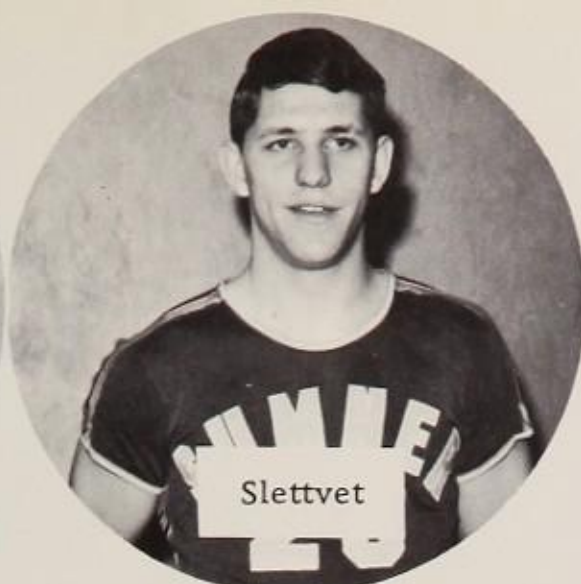

As it is with all Spartans, this year's champions lived up to the Spartan motto, "When the going gets tough, the tough get going."

Seven Wins *One Loss*

Another championship came to Sumner's Trophy case when the matmen won the league title (shared with Fife) by winning seven matches and losing only one.

Ken Vandver, Gary Seldal, Herb Sigmon, Joe Moen, and Ron Rust came through the subdistricts to represent Sumner at the West Central District tournament, held in Puyallup.

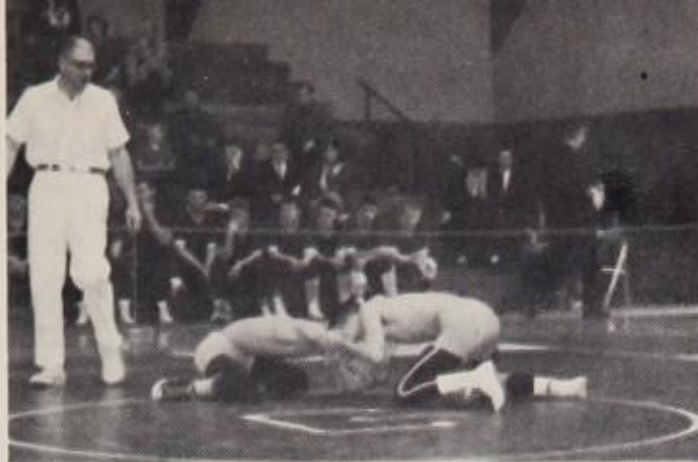

Three of the five progressed to the

State tournament at the University of Washington. Ken, Gary, and Joe made it into the showplace of the state's finest grapplers and carried the Spartan colors through the two-day event.

Coaches Crook and Rawley kept the boys hustling all season with rigorous workouts. It paid off, as evidence by the second straight Seamount League grappling title to come Sumner's way.

Acknowledgements

As the end of the year approaches, I look back at the wonderful experience I had as editor of this annual and at the many reasons for its completion. With deepest appreciation, I would like to thank Mr. Anderson for his encouragement, enthusiasm, and support...Mr. Bert Perler and his studio for their all-out co-operation and assistance at all times...Mr. Bill Johnson who assisted us in getting the aerial photograph of the school campus...The American Yearbook Company and their representative Mr. Jim Palm for their con-

scientious work on behalf of our yearbook...The teachers for their patience when classes were interrupted...My thoughtful parents who understood the quick trips to Tacoma after pictures and the last-minute scurrying at deadline time...And last, but not least, to my hard-working staff who contributed their time and energy unselfishly to produce an accurate record of the 1964-65 school year. Thank you, too, students of Sumner High for your co-operation, contributions, and general support.

Lights out twice in the same month kept Mr. Standley, our head custodian, very busy. Aside from these unexpected happenings, he supervised the maintenance of school grounds and school buildings.

Typing, filing, answering the phone, and calling students were only part of the many duties handled by our secretaries, but in these ways they fulfilled a vital area in the operation of our school.

Mr. Standley

Secretaries: Mrs. Nuttal, Mrs. Purvis, Mrs. Mohr.

A well-rounded student body is testimony to the efficient work of Mrs. Garrett and her staff of cooks. They prepared and served daily a lunch that was not only nutritious but tasty.

Appreciation

Paper, ice cream, apple cores, paper bags, and other debris on the floors kept our custodians busy. In this way they maintained a clean school. Their faithfulness produced clean towels for the physical education classes also.

Wind, sleet, nor snow can stop our bus drivers, and their caution helped transport us safely to and from school every day. Their responsibilities were great and often quite trying.

Janet - Well, you caught a guy and gave me a good + that will help me too. I hope you like it. Pat Jones '66

Janet, it seems
funny signing
my name on
twice. I finally made
it out. I hope you have
fun in your last two years
of high school. Be sure and make
it. I wish you and Dave all the
happiness in the world.
Love ya
Janet Williamson
(your big sister)

Sweetheart,

Well I finally found time to write a little
something in my love's annual, but we're getting
ready to take our final test in 5th period.
Honey I love you more than anybody or anything else
in this whole wide world and I just wanted you to
know that from the start. Hi again sweetie. Well here
it is my last day in school and now I have to go out
and find a job - if I don't work for Mike at Plean Van Lines, but
I hope I do. Now I'm in U.S. History and I'm suppose
to take notes, but I'm not because today is my
last day in here. You know honey these last 10 months
have been the happiest of my life and I'd rather be
dead then have you break up our engagement. Of
course I can't say that I'd blame you any - we with
no money, job, or car - so I can't say that I'd blame
you one bit - but I'll say if you do I'll break your
neck and punch you right square in the nose -

a besides that I refuse to break up with you, for
the simple reason that I love you very very much.
You know I was reading some of the writing in
your annual and a lot of kids sure do wish you and
me all the happiness in the future and world.
You know I sure not going to miss this school for
the next three months, but I'm going to miss you -
you know we wont be seeing an awful lot of each
other this summer because you will be baby-sit-
ting and I will be working and from what I under-
stand I still can only come down and see you
once a week and I dont think thats very fair, I
mean we are engaged to be married and at least we
could do is see each other - dont you? If I had my
way we would be with each other all the time,
except to go home and go to bed. You will have to
give me a lot of good old loving at Peggy's tonight
so I dont get cold when I walk home, you know
of course that I'll be down about 10 or so. Well
the bell is going to ring so I'll finish later.

Janet,
It's really been a
fun year. I hope you
succeed as you are and be
good to Dave a friend. Always
Love, Paula

Hi Jan,
Well, it's been a long
year, but more we are
almost finished. Your
friendship in P.E. was most
fun, and I hope we may have
some classes together next year.
Keep up the fun with Dave, I good
luck in the future.
Love, Paula
Rip

Janet,
It's been
fun knowing
you and Dave
this year. I hope
you are both
married in the
future.
Love, Paula

Janet,
It has been a
real pleasure
knowing you this
year. I hope every-
thing works out
for you and Dave.
I'm gonna miss
you guys next
year, but I hope
you'll write to
me if you want
too. Love, Paula
Lots of love
for you

Janet,
It's been a
fun year. I hope
you succeed as
you are and be
good to Dave a
friend. Always
Love, Paula
